

Conference Presentation and Posters

December 2011

Conference presentations

3. Crystallographic Analysis Chiral Disassembled of Monoruthenium Benzoates. Groves, B. 3rd Chemical Crystallography Workshop. June 2011, Montreal, QUE.

Poster presentations

2. Chiral Induction via the Disassembly of Diruthenium(II,III) Tetrabenzoate. Groves, B.; Aquino, M; Lundrigan, T. 94th Canadian Society for Chemistry Conference and Exhibition, June 2011, Montreal, QUE.

1. Chiral Induction via the Disassembly of Diruthenium(II,III) Tetrabenzoate. Groves, B.; Aquino, M; Lundrigan, T. 9th Annual Student Research Day, March 2011, Antigonish, NS.
